

DAVID ASKINS

P.O. Box 3355, Bloomington, IN 47402
C: (734) 645-2633 dave.askins@daveaskins.com

What I want to do: Job Objective

Content: Use words and images to replace ignorance with insight

Time and Money: Show unrelenting commitment to work; earn enough to live near work

What I can do: Skills

Written Communication: draft prose, either technical or casual, that is clear, concise, and grammatical; build charts, graphs and maps from complex data structures

Data Management: define and maintain data structures, extract data from unstructured formats

Oral Presentation: design curriculum, develop course materials, and deliver instruction in formal educational settings as well as informal on-the-job contexts.

Web/Internet/Social: leverage internet informational architecture and culture

How I do it: Tools

Operating Systems: IBM PC, Macintosh Software: R, Textwrangler, QGIS, Google Sheets, Photoshop

Languages: German, French*, Chinese*, ASL*

Where I learned it: Education

1996–97 A.B.D. in linguistics, University of Rochester, New York

1992–95 M.A. in linguistics, University of Rochester, New York

1988–89 M.A. in German, Indiana University, Bloomington

1986–87 Fulbright Scholar, Georg-August Universität zu Göttingen, Germany

1982–86 B.A. in mathematics and German, Washington University in St. Louis

Where I've done it: Work Experience
